Holly's Secret

Nancy Garden

Holly's Secret Nancy Garden

A new town and new classmates, but the same family -- with two moms

Dear Diary,

...Until today I was Holly Lawrence-Jones. But starting tomorrow I'm going to be Yvette Lawrence-Jones. My family doesn't know that yet, but I'll tell them tomorrow, and that's the name I'll tell the people at school, too. Yvette's going to be sophisticated and grownup-feminine enough to have white ruffled curtains, and maybe even a boyfriend. She's also going to have a NORMAL family. Kids are not going to make jokes about her and say mean things, because there won't be any reason for them to do that...

The reason for "The Plan," as Holly refers to the creation of her new self, is primarily to hide from the schoolmates in her new hometown the fact that she has two mothers who are gay. But trying to hide something so big proves to be a daunting task. Nancy Garden has written a novel infused with humor, but one that also tackles prejudice and reinforces an old saw: Honesty is the best policy.

From reader reviews:

Alan Fan:

As people who live in the particular modest era should be upgrade about what going on or facts even knowledge to make them keep up with the era that is always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with. This Holly's Secret is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Casey Reeves:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their sparetime with their family, or their own friends. Usually they accomplishing activity like watching television, about to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Might be reading a book is usually option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled Holly's Secret can be excellent book to read. May be it can be best activity to you.

Syble Mills:

Do you have something that you like such as book? The guide lovers usually prefer to select book like comic, quick story and the biggest some may be novel. Now, why not trying Holly's Secret that give your enjoyment preference will be satisfied by reading this book. Reading behavior all over the world can be said as the opportunity for people to know world a great deal better then how they react to the world. It can't be claimed constantly that reading behavior only for the geeky man or woman but for all of you who wants to be success person. So , for every you who want to start looking at as your good habit, you could pick Holly's Secret become your starter.

Ryan Barrett:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Holly's Secret can make you sense more interested to read.
