A new type of person is coming into incarnation right now, almost a 'next step' as humanity progresses. These people are visionary and creative, progressive and independent. They carry new ways of thinking and feeling that hold great promise for the future. You may be familiar with the concept of 'Indigo children,' and never realized that there are also Indigo adults. Might you be one of them? Perhaps you have wondered why you've often felt different? Frustrated and dissatisfied with the 'normal' world Not easily fitting in the system, and often feeling alone, separate, or not understood A pressing need to contribute to creating a better world Unusual sensitivities A deep feeling, thinking, and introspective nature A powerful longing for 'something more' Indigo Adults helps you identify if you or your children are Indigos, and can help you understand more clearly your nature and purpose here on Earth.
