Pocket Posh Wonderword 2: 100 Puzzles The Puzzle Society

Wonderword™ is the most challenging of all word searches; each puzzle is built manually without computer-assisted shortcuts. Word searches are among the most popular puzzle types.

Wonderword is unlike traditional word searches. In Wonderword, you circle the individual letters of each word in the word list; you do not circle the word. Each puzzle uses every letter in the grid, and all words in the clue list are related to the puzzle's theme title. When you've found every word in the list, the remaining uncircled letters will spell out the Wonderword. Wonderword is featured in 225 newspapers across the country. It is estimated that 1 million people enjoy solving Wonderword puzzles every day.

Pocket Posh Wonderword features a knockout, eye-catching cover with special embellishments, such as foil stamping, flocking, glitter, or embossing. A free trial subscription to The Puzzle Society adds extra value.
