**In a world where music is power, one boy's discovery that he can hear the song will change everything.**

..

Chester is on the road, searching every town for clues about his father's disappearance. But when he's caught accidentally—and illegally—connecting with the Song as he plays his beloved fiddle, Chester is sentenced to death. Only a licensed Songshaper can bend music to their will. The axe is about to fall . . . But there is someone else watching Chester. Someone who needs his special talents. Who can use him for their own ends. And who is hiding in the Hush, where Music can be deadly and Echoes can kill you with a touch. Susannah is that someone. The young captain of the infamous Nightfall Gang has plans for Chester. Finally, she will have her revenge.
