What the Bible says about Satan D B Domenico Barbera

When a person does not believe what the Bible says, human logic persists in believing that Satan does not exist and it is easy to place him among the myths that religious people have invented. But for those instead, that believe and accept the Bible as the Word of God, it is not possible to deny Satan's existence without denying the very same Bible that speaks extensively about him. We are perfectly convinced that Satan in person has infused in the minds of many people a rejection of the truth of his existence. For what purpose? So that he can carry out his ominous activity freely without being hindered. The argument against Satan, in our opinion, must be dealt with as a theme that the Bible presents without any constraints. In this work, we propose to consider all the Bible texts that speak about him, in order to have a broad panorama of what he is and at the same time, to reveal the diabolic work that he does in humanity as well as among the people of God.
