## Why Do I Need Research and Theory?: A Guide for Social Workers Jennifer Anderson-Meger

This book is based on the idea that social work as a profession can do better with advancing our mission if practitioners are knowledgeable, skilled, critical thinkers that use research to inform practice. This is a user-friendly, student directed book form to help students understand the connection between knowledge, social work research, and social work practice. This short text will support students in their research course by offering insights as to why research is important, how to help students understand how research affects their own future social work practice, how their beliefs impact successful learning, and practical tips for being successful in research.

So , for all of you who want to start studying as your good habit, you could pick Why Do I Need Research and Theory?: A Guide for Social Workers become your personal starter.

#### **Jeremy Windham:**

As a student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.

Therefore , this Why Do I Need Research and Theory?: A Guide for Social Workers can make you experience more interested to read.
