Windsong

Autumn Lake

Windsong Autumn Lake

As a blizzard slowly engulfs Summter Island, Marion Blanchard urges her old Chevy along a slippery road that borders a steep cliff. Just as she sees her home's lights twinkling in the distance and breathes a sigh of relief, Marion's car hits a patch of black ice, crashes over the guardrail, and plunges into the icy sea below. Moments later, Marion slips into the arms of death. In the shadow of a towering pine not far from Marion's home, Windsong, a frail figure watches as the Chevy's headlights flicker out beneath the angry waves and then disappears into the snowy mist. When Marion finally emerges from the dark mist into a soft light, she realizes she has taken on a new ethereal form with a mission to keep her family together. Unfortunately, only her youngest grandson, Patrick, has the ability to see and hear her. While Marion formulates a plan she hopes will bring all her family back to Windsong, her children and grandchildren grieve their loss and, with gentle urging from Marion, finally begin to recognize the value of family and Windsong. In this poignant tale, a mother embarks on a determined journey after death to keep her family together and ensure that the traditions of her lovely home live on forever.

From reader reviews:

John Masterson:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is in the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take Windsong as your daily resource information.

Julia Gilmore:

The reason why? Because this Windsong is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your expertise and your critical thinking method. So , still want to postpone having that book? If I have been you I will go to the book store hurriedly.

Patricia Steele:

Many people spending their time period by playing outside having friends, fun activity together with family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to use the book everywhere? It ok you can have the e-book, getting everywhere you want in your Touch screen phone. Like Windsong which is keeping the e-book version. So , try out this book? Let's see.

Donna Bohannon:

A lot of publication has printed but it differs from the others. You can get it by internet on social media. You can choose the top book for you, science, comedy, novel, or whatever by searching from it. It is referred to as of book Windsong. You can add your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make an individual happier to read. It is most significant that, you must aware about e-book. It can bring you from one place to other place.
