From Pulpit to Pagan Dhungarvn the Grey

After teaching and ministering twenty two years as a Christian pastor and evangelist, author Dhungarvn the Grey became disillusioned with the self-righteous membership and church politics. He left the ministry and began searching for the truth. In his re-evaluation of his concept of God and prayer, he reconnected with nature and the idea of nature-based spirituality. His soul stirred with a yearning toward paganism. From Pulpit to Pagan is the story of Dhungarvn the Grey's journey from Christianity to paganism and his quest for truth. Horus, Mithra, Krishna, and Jesus all told their followers, "You will know the truth, and the truth will set you free." The truth about Christianity frees the pagan of the guilt-trips inflicted by well-meaning family members. It frees them from the tendency to credit Christianity, the Bible, and Jesus with more truth than is valid. It frees them from the missionary traps and ignorant attacks by evangelicals. Dhungarvn suspects that many in the pagan community are programmed by their family experience and Christian upbringing; they hold onto the Bible and Jesus out of unconscious fear and guilt. From Pulpit to Pagan details Dhungarvn's struggles, but also provides hope for other pagans to become truly free.
