Grizzlies in the Wild Kennan Ward

True wilderness shots that capture grizzlies at their most fearsome, as well as their most gentle moments, are the hallmark of Kennan Ward's award-winning photography, and "Grizzlies in the Wild" is a showcase for this incredible work. The text is Ward's own, rich with personal experience and insight, as well as natural history, legend and lore about the bear. It reveals much about his deep respect and abiding admiration for the grizzly bear - one of the most feared, yet loved mammals in North America.
