## **Hail to the King (Book #11 of the Sage Saga)** Julius St. Clair

After the fallout of The End of an Era, the world of the Sages has been drastically altered. No longer a land of freedom, the survivors of the Sorcerers' wrath find themselves under the rule of an all-powerful tyrant. Focused on maintaining an iron grip, peace is assured as long as revolution and uprising are merely words of the past.

Emma and her twin brother, Milo, have heard the myths--of noble warriors so powerful that they could be a match for the King. Finding them is easy, but convincing them to take up their blades is the hard part. They soon learn that their parents were once Sages of Old, and when the news later breaks to the rest of the world, a chain of events kicks off that starts a new conflict that will once again threaten the lives of all.

With familiar faces and fantastic battles, the Sage Saga continues in top form with the arrival of the new fighting alongside the old. Full of exciting landscapes, ulterior motives, political intrigue, and breathtaking fantasy adventure, Hail to the King is a narrative that will stick with you long after the last page has been read.
