Meet the Brannigan brothers—seven sexy brothers who bring the heart and the heat! From bestselling authors Barbara Freethy, Ruth Cardello, Melody Anne, Christie Ridgway, Lynn Raye Harris, Roxanne St. Claire and JoAnn Ross comes a brand new contemporary romance family series: 7 Brides for 7 Brothers. You won't want to miss a single one!

When Hunter Brannigan loses his father and is sent a map, he doesn't know what to think. Is it a joke? Was the old man going senile at the end? The attorney sending the map assures him the piece of paper was definitely from his father and he must follow the clues to find himself.

Hunter has been running from anything even remotely resembling responsibility for a very long time. He's a world renowned Photo Journalist, traveling the seven continents in pursuit of the next great shot. He's been in the heart of the trauma during war time, natural disasters, and life-altering moments, always on the other side of the lens, never getting emotionally involved. His father's last wish for him is to put himself within the pictures he's famous for.

Deciding to humor his father's last request, he stumbles upon Rebekah Kingsley III, an uptight History Professor who desperately needs to let her hair down. Though he has his doubts she can get dirty long enough to help him, something about her won't let him walk so easily this time. Will she be enough to make him settle down, or will he leave her with nothing but a picture of what could have been.
