**Mountain Homespun** Frances Louisa Goodrich

“Mountain Homespun will be of special interest to those studying southern Appalachian handicrafts, the 1890s handicraft revival, and northern Protestant missionary work in turn-of-the-century Appalachia.”  
—North Carolina Historical Review

“Mountain Homespun is much more than a memoir. It offers unrivaled specific information on the processes of mountain crafts—not only on weaving, spinning, and dyeing, the author’s primary interest, but also on basketry, quilting, and other pursuits. All in all, the book is an important publishing event.”  
—Berea College Newsletter

“This is a wonderful book. It belongs at the bedside of every spinner and weaver everywhere.” —Jude Daurelle, Handwoven
