From internationally-renowned author Mary Summer Rain comes a stirring vision of life and love in a world where there are no barriers to spirit. The web, fragile and sparkling with beauty, symbolizes the interconnectedness of all things, denying the illusion of separateness that humankind has chosen to embrace. Mary identifies numerous natural objects and occurrences, their symbology, and their energetic natures, yielding new insights into Grandmother Earth.

Grandmother's Gifts of Life include gemstones, rocks, and metals; flowers and trees; and people of the earth, air, and waters. Her Gifts of Spirit include wisdom, intuition, and dreams.

Learn new respect and understanding for the world that surrounds us, for the vibrational energies of the physical world, and the spiritual symbology connecting all animate and inanimate objects in a great Singing Web of Life.
