You may laugh; you may cry. And doubtlessly, you will fall in love with the characters along the way. Zach Merin is a successful professional golfer with a loving wife and three small children. He has the perfect life. Then, an unforeseeable tragedy occurs that alters their lives forever. With everything to lose, he takes a chance that few would dare to take. He hopes no one will ever have to know about it. When the truth is finally revealed, will his family have ceased caring about him? It will be a long journey fighting his way back-both physically and emotionally-to assure them that he did it all for love. After All These Years is a story that sets out to prove that true love never dies. Or, does it?

"This is a powerful and moving story. There were times when my heart ached and times when I laughed out loud. Amidst scenes of warmth and joy, I felt an undercurrent of constant worry: Could this be a setup for tragedy? I feared that the rug could be pulled out from under me at any moment. I worried because I cared." - Adam Lacoste, Author
