God's Covenant with Israel: Establishing Biblical Boundaries in Today's World Rabbi Binyamin Elon
Like a ghost returning, the modern state of Israel is a thoroughly astonishing reality. Built on the ruins of ancient cities and villages, Israel today is a thriving democracy, in spite of the relentless terror war waged against it by radical Islamic groups. Knesset member Binyamin “Benny” Elon is a moral voice in Israel’s government, and this new book is certain to find a wide audience among his country’s advocates, like America’s evangelicals. A brilliant mixture of Israel’s current political and security situation, contrasted with its ancient biblical heritage, makes God’s Covenant with Israel an irresistible book. Filled with color photos and maps that explain Israel’s status in clear detail, the book represents Elon’s heart. Determined to hold off his nation’s enemies by speaking the truth, Elon, who served two terms as Israel’s minister of tourism, is a bold spokesman for the Jewish state.
