On 30th April 1945 Germany is in chaos...Russian troops have reached Berlin. All over the country, people are on the move - concentration camp survivors, Allied PoWs, escaping Nazis - and the civilian population is fast running out of food. The man who orchestrated this nightmare is in his bunker beneath the capital, saying his farewells. This is the gripping story of Hitler's final hours, as seen through the eyes of those who were with him in the bunker; those fighting in the streets of Germany; and those pacing the corridors of power in Washington, London and Moscow. It was a day of endings and beginnings when ordinary people were placed in extraordinary situations. 30th April 1945 was a day that millions had dreamed of, and millions had died for.
