What You get From this Book: \*Tips that I have personally used and used effectively in overcoming procrastination. \*Some of these tips have proven effective in assisting me in the fulfillment of the first book of my Science Fiction Anthology: The Warriorz of Waquir Bay

**‘Procrastination’, an ailment faced by practically everyone that exists in the world, from those that exists within forests separated from advanced civilizations, to those that exist within advanced societies. To procrastinate is basically to delay doing a task, whether that particular task is crucial or miscellaneous. It’s a common thought that to procrastinate is unavoidable in certain cases; it’s actually disease, and thankfully, a curable disease, that will be cured after you read this book. Procrastination is the reason you have not yet realized your true capacities, the reason you have not yet optimized your financial opportunities, the reason your grades are not all A’s, and most definitely the reason you have not yet attained your dream car or dream house. My goal is to cure you in the same way that I have cured myself of this relentless malady.**
