## **Indecent Theology** Marcella Althaus-Reid

*Indecent Theology* brings liberation theology up to date by introducing the radical critical approaches of gender, postcolonial, and queer theory. Grounded in actual examples from Latin America, Marcella Althaus-Reid's highly provocative, but immaculately researched book reworks three distinct areas of theology - sexual, political and systematic. It exposes the connections between theology, sexuality and politics, whilst initiating a dramatic sexual rereading of systematic theology.

Groundbreaking, intriguing and scholarly, *Indecent Theology* broadens the debate on sexuality and theology as never before.
