**A Woman, A Man, and Two Kingdoms** Francis Steegmuller

Pre-revolutionary Paris comes to life in this fascinating story surrounding the correspondence between two colorful and witty society figures: the French author Louise d'Épinay and the Italian priest-diplomat Ferdinando Galiani. Their friends included Voltaire, Diderot, Melchior Grimm, and the famous women of the salons, and their letters touched upon everything from social gossip to issues of education and politics. Francis Steegmuller's book is at once a unique history and a charming account of friendship sustained in a turbulent age.

Originally published in 1993.

The **Princeton Legacy Library** uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
