Conquering Theana (Conquering Series) (Volume 1) LeTeisha Newton, Lillian McKenzie Rhine

Theana ran from Seurri City, home of the wolf shifters now public to humans, to escape a mating with her childhood friend. She wasn't in the mood for a mate, or the trappings of politics. Then she meets Rafael, alpha of the strongest pack in Seurri, and his beta, Gregori. Suddenly she can't catch her breath, or keep control of her emotions. Rafael and Gregori refuse to let Theana get her own way, or deny the love they could share. Perhaps two men for their feisty mate are definitely better than one. Now to stall the would-be childhood suitor, and stop an all out war between the packs—but love is worth fighting for.
