## Disrupting Business (Databrowser) Geoff Cox (Editor)

The book explores some of the interconnections between art, activism, and the business concept of disruptive innovation. With a backdrop of the crisis of financial capitalism, austerity cuts in the cultural sphere, it focuses on potential art strategies in relation to a broken economy. In a perverse way, we ask whether this presents new opportunities for cultural producers to achieve more autonomy over their production process and what alternative business models emerge? The book is concerned broadly with business as (artistic) material for reinvention. With Geert Lovink & Nate Tkacz, Constance Kampf, Sault Albert/TPS, Søren Pold & Christian Ulrik Andersen, Dmytri Kleiner, Les Liens Invisibles (TBC), Brian Holmes (TBC), Gregory Sholette, Stephen Shukaitis, Heath Bunting, Renée Ridgway, Giorgios Papadopolous, Oliver Ressler, Paolo Cirio, and Marina Vishmidt.
