On both sides of the passionate road of love is the less desirable stage of friendship. Anyone who's ever been there knows the terrain is perilous. Friendationships will help you navigate. Author Jeff Taylor addresses questions like: - What should you do when you start to like a friend? - What if you're attracted to someone who is already in a relationship? - What are reasons you should end a relationship? - What are healthy boundaries? And more? Friendationships shares stories of those who are in your shoes and gives insight into how relationship issues can make or break your spiritual life. After all, relationship advice should be about more than sex or dating methods. Friendationships covers all the stages between and during this thing called love.
