His Perfect Bride Jenn Langston

Richard Carrack received the title of Marquis of Stonemede upon his father's death six months ago. Knowing of the duties associated with the title, he decides to marry and spend the remainder of his days tending to the estate. His requirements for his bride are simple; he wishes her to be obedient and calm-spirited. When circumstances place him in the path of Lady Brianna Denton, whose wild ways make her an unsuitable candidate, he lies about his identity to discourage her from pursuing him for his title. Brianna Denton knows what she wants out of life. She wishes to marry an untitled lord and live the remainder of her days in the country with no obligations. Only then can she spend her free time painting. When she meets Mr. Richard, she decides he would make the perfect husband. Little does she know, her boldness puts her in a position where she must decide between what she always thought she wanted and what her heart is telling her.
