**The Accidental Anglican: The Surprising Appeal of the Liturgical Church** Todd D. Hunter  
Many are longing for historical connectedness and for theology that is "not tied to the whims of contemporary culture, but to apostolic-era understandings of Christian faith and practice." They also yearn for rhythms and routines that build spiritual health. Still others are responding to a call to participate in worship rather than merely sitting back and looking at a stage. Liturgy offers all of this and more. In this book Todd Hunter chronicles his journey from the Jesus People movement and national leadership in the Vineyard to eventually becoming an Anglican Bishop. Along the way he explains why an evangelical Christian might be drawn to the liturgical way. Curious about the meaning of liturgy? Come and discover what may be waiting for you there.
