From the very beginning, you knew something was weird. On the first date, there were no awkward silences. No early warning signs of psychopathology on the second. By the third date, you were struck with a revelation: "We are actually having a third date!"

And now you're engaged! Together you've entered a strange new world of deranged caterers, militant photographers, and prima donna *floristes*. You lie awake each night pondering the Big Questions: "Sit-down or buffet?" "Band or DJ?" "Cash bar or open bar?" You find yourselves incapable of discussing anything non-nuptial, and you won't rest until you've registered for those perfect pewter grape scissors...

Are the two of you going nuts? No, you're just planning a wedding! And as you begin your new lives as Nearly-weds, keep one thing in mind: To have a successful marriage, all you need is trust, respect, and undying love. But to have a successful *wedding*, you'll need something a whole lot harder to sustain: a sense of humor. The *Nearly-Wed Handbook* will keep you laughing all the way down the aisle.
