## **The Secret of the Forest**

The forest has concealed its secret for many a long year: a splendidly decorated little box buried beneath leaves and mushrooms.

But a wily forest-dweller has discovered the key to the box - and with it the precious jewels inside.

Look for the pieces of jewellery hidden in some of the pictures, and bring the forest to life with vibrant colour.

An enchanting colouring book that helps you forget everyday life and restores inner peace and balance.

A book for discovery, for unwinding, and for dreaming.

With over 30 richly detailed hand-drawn illustrations waiting for bright and beautiful colours.

We recommend crayons or coloured pencils.

As the backs of the full-page drawings have been kept free, each motif can be cut out, framed and displayed.  
Have fun!

As a little extra, you'll get a bonus colouring sheet.
