In a swirling multiverse of endless possibilities and incalculable dangers, malign forces manipulate history through countless timelines and act to wreak destruction across universes. But amongst these infinite existences, their fate depends on one man, an anomaly who exists in but a single universe, a being of vast psychic power capable of travelling between parallel realities--Luther Arkwright!

An adult science-fiction epic of boundless imagination and audacious vision, *The Adventures of Luther Arkwright* and *Heart of Empire* are brought together for the first time in one essential hardcover volume, including bonus material and an afterword by Warren Ellis.
