"Kiki captures the heat of the streets." --Wahida Clark

A gunshot wound. . .Witness Protection. . .a stint in a safe house. . .this isn't what Lynise Washington planned for herself when she went to Jersey with Bishop, a money-making gangsta. She thought he'd take care of her for life, until too much drama turned the tables. Now Bishop wants Lynise dead and he'll use every resource he has. Too bad for him she's back in Virginia, primed for revenge--and this time she's playing on team FBI. But when she and Agent Sean Foster start feeling each other, they incite suspicion--not to mention jealousy from Agent Zachary, the safe house's queen bee. Lynise isn't sweating it though. With the explosive information she's packing, the agents need her at least as much as she needs them. And Lynise isn't planning to take one for the team, much less cave in to Bishop's wrath--even if she has to take matters into her own deadly hands. . .
