Ann Edwards:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
