## **Joy Shirley Harvey**

With a winning combination of adorable cute characters and enchanting words of wisdom, Shirley brings to life the finer qualities and quirks of ways to be more joyful with humour and grace.

Described as the modern day Beatrix Potter with a splash of Dr. Seuss, Shirley's poems and images take you on a journey of unexpected laughter, thoughtfulness and insight. Joy offers a wonderful exploration of behaviours and qualities that help develop an inner sense of joy making it perfect to read with children, but equally perfect for the coffee table during those quiet moments when we need reminding of the important things in life we sometimes forget while we are busy 'adulting'.

Joy is the first in a series of 5 books which explore various different emotions and aspects of life.
