## **Room For More** Beth Ehemann

Four years ago, my dreams were shattered in an instant. Three months ago, I found something I haven't had in years. Hope. That hope came in the form of a sexy, carefree hockey player named Brody Murphy. He swooped in and won me over with his big heart and the way he cared for me...and my girls. When they look at him, they see the father they've never had. Now, my past and present are colliding and the outcome might just be too much for me to bear. Can I make the right decision when I've spent my whole life making the wrong ones?

### **From reader reviews:**

#### **Brandon Huff:**

What do you ponder on book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't wish do that. You must know how great along with important the book Room For More. All type of book could you see on many sources. You can look for the internet methods or other social media.

#### **Johnna Chapin:**

Here thing why this Room For More are different and reliable to be yours. First of all looking at a book is good but it really depends in the content than it which is the content is as scrumptious as food or not. Room For More giving you information deeper and different ways, you can find any reserve out there but there is no book that similar with Room For More. It gives you thrill reading journey, its open up your personal eyes about the thing in which happened in the world which is probably can be happened around you. You can bring everywhere like in park your car, café, or even in your way home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Room For More in e-book can be your substitute.

#### **Jeffrey Peak:**

People live in this new day of lifestyle always make an effort to and must have the time or they will get great deal of stress from both day to day life and work. So , if we ask do people have free time, we will say absolutely sure. People is human not really a huge robot. Then we request again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative with spending your spare time, the book you have read is Room For More.

#### **Nicholas Ko:**

Many people spending their period by playing outside together with friends, fun activity together with family or just watching TV all day every day. You can have new activity to pay your whole day by reading a book. Ugh, ya think reading a book can really hard because you have to accept the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Room For More which is having the e-book version. So , try out this book? Let's notice.
