The Book of Number: Practical Workbook Michael Wallace

The Book of Number: Practical Workshop is a step by step guide that teaches the original form of Pythagorean Numerology. This is a "How to" book, designed to take a person from zero understanding to a practical grasp of the subject within weeks. This book derives from the "Magic of Number" correspondence course from the early 1990's, which was considered the best course on Number Analysis available. The information is reduced and made simpler for the average person, and there is an enormous amount of historical and current information about all things Pythagorean and all things Numerological.
