The Daily Telegraph Guide to England's Parish Churches Robert Harbison

Drawing from the thousands of churches in England, architectural historian Robert Harbison offers a detailed guide to 550 of the most outstanding examples. From the magnificent wool churches of East Anglia to the rustic simplicity of a little church in Cumbria, he describes the buildings and their contents with infectious enthusiasm and lightly worn scholarship. *The Daily Telegraph Guide to England's Parish Churches* is complete with color photos and regional maps, an introduction to church architecture, appendices listing the churches notable for particular features, such as frescoes or fonts, and a glossary of architectural terms. Robert Harbison teaches at the Architectural Association and the University of North London. His previous books include *Thirteen Ways*, *Eccentric Spaces*, and *The Built, the Unbuilt and the Unbuildable*.
