## **Twisthorn Bellow** Rhys Hughes

It may come as no surprise that France wants to take over the world again. But this time they plan to go much further and gain control of the spiritual dimensions too, making French the official language of the Afterlife! Twisthorn Bellow is a freshly baked golem who has fallen into a vat of nitro-glycerine, turning him into a living stick of dynamite. As well as battling against monsters and rock musicians, he's the only thing that can preserve and protect the glorious British Empire and prevent the Frenchification of the entire cosmos. But considering the French have all the best ideas and tunes, he doesn't stand a soufflé in Hell's chance!

#### **Treva Ritter:**

Reading a book to be new life style in this 12 months; every people loves to read a book. When you read a book you can get a lots of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The Twisthorn Bellow offer you a new experience in looking at a book.

#### **Edwin Ashford:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Twisthorn Bellow can make you feel more interested to read.
