Activating your Spiritual Senses Back cover jacket: Activating your spiritual senses will enable you to experience the realm of heaven on earth more consistently and vividly. What does it mean you smell the aroma of Christ in a room? When the touch of the Lord comes, what happens? This book reveals deep spiritual insights that will quicken your spiritual senses and enable you to tune into the audible voice of the Lord and begin to see with new eyes. Jerame gives us an ability to see and feel, to taste and smell the very nature of God. Its time to believe for John 10:10 the Abundantly full life, which I will apply in context to this book as this: We need to be open to have a full sensual experience that we might fully understand the Christ who is dwelling within us and the atmosphere that this dwelling causes around us. -Shawn Bolz Senior Pastor of Expression58 in Los Angeles, California
