Celts: The History and Legacy of One of the Oldest Cultures in Europe Martin J. Dougherty

“They cut off the heads of enemies slain in battle and attach them to the necks of their horses... They embalm the heads... [and]... display them with pride to strangers.” – Diodorus Siculus.

Before the Vikings, before the Anglo-Saxons, before the Roman Empire, the Celts dominated central and western Europe. Today we might think of the Celts only inhabiting parts of the far west of Europe – Ireland, Great Britain, France and Spain – but these were the extremities in which their culture lasted longest. In fact, they had originated in Central Europe and settled as far afield as present day Turkey, Poland and Italy. From their emergence as an Iron Age people around 800 BC to the early centuries AD, Celts reveals the truth behind the stories of naked warriors, ritual beheadings, druids, magic and accusations of human sacrifice. The book examines the different tribes, the Hallstatt and La Tène periods, as well as Celtic survival in western Europe, the Gallic Wars, military life, spiritual life, slavery, sexuality and Celtic art. Illustrated with more than 180 color and black-and-white photographs, maps and artworks, Celts is an expertly written account of a people who have long captured the popular imagination.

REVIEWS

"...easy to read, yet detailed and extensive...bursting with color photographs of artifacts, archaeological sites, paintings, and sculpture, showing Celtic design and artistic motifs as well as depictions of the Celts throughout history, especially by their enemies. The author is fair as he narrates the current, most widely accepted consensus about various aspects of Celtic culture, while also presenting competing hypotheses. Chapters are split into short, focused sections, and pages are beautifully arranged with plenty of white space, and illustrations, each explained through helpful side notes. This beautiful book is a wonderful and pleasurable introduction to this amazing culture.

From reader reviews:

Viola Coghlan:

In this 21st one hundred year, people become competitive in each and every way. By being competitive currently, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice by simply surrounding. One thing that often many people have underestimated the idea for a while is reading. Yes, by reading a reserve your ability to survive raise then having chance to stay than other is high. For you personally who want to start reading some sort of book, we give you that Celts: The History and Legacy of One of the Oldest Cultures in Europe book as beginning and daily reading reserve. Why, because this book is more than just a book.

Concepcion Maldonado:

Precisely why? Because this Celts: The History and Legacy of One of the Oldest Cultures in Europe is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Lauren Cook:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Celts: The History and Legacy of One of the Oldest Cultures in Europe can make you truly feel more interested to read.

James Koenig:

What is your hobby? Have you heard in which question when you got pupils? We believe that that question was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person similar to reading or as reading through become their hobby. You have to know that reading is very important and book as to be the factor. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You get good news or update with regards to something by book. Different categories of books that can you decide to try be your object. One of them are these claims Celts:

The History and Legacy of One of the Oldest Cultures in Europe.
