## **Is America in Bible Prophecy? (Signs of the Times Series) Mark Hitchcock**

Prophecy expert Mark Hitchcock deals with often-raised questions about America's future in this thoroughly researched, reader-friendly resource. Examining three prophetic passages that are commonly thought to describe America, Hitchcock concludes that the Bible is actually silent about the role of the United States in the End Times. He then discusses the implications of America's absence in prophetic writings. Along with Hitchcock's compelling forecast for the future, he offers specific actions Americans can take to keep their nation strong and blessed by God, as well as an appendix of additional questions and answers.
