Social Media for Baby Boomers: How to translate your decades of knowledge and experience into social influence Sandra D'Souza

Facebook, Twitter, LinkedIn, Tumblr... Do you feel you should be on social media but can't get your head around it like the younger generation? That you've left it too late to use modern technology to your personal or professional advantage? If you want to get into social media and keep pace with technology for your career or business, then this book is for you. Written in jargon-free language by a mature professional for mature professionals, it explains: The right platforms for your business or brand; Clear frameworks to create your ideal online profile; Handy tips for setting up on social media; Smart strategies for easy maintenance; Current trends and how to be part of them. Sandra D'Souza started her professional life as an accountant and has cultivated 20 years' worth of professional experience both in Sydney and London where she founded Curate Bee Digital in 2012. She found ways to use digital platforms to create social influence for her clients. She lives in Sydney with her husband and daughter. Connect with Sandra at www.curatebee.com

Joseph Mack:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Social Media for Baby Boomers: How to translate your decades of knowledge and experience into social influence can make you truly feel more interested to read.

Peter Singleton:

What is your hobby? Have you heard that will question when you got college students? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you know that little person similar to reading or as looking at become their hobby. You need to understand that reading is very important as well as book as to be the thing. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You discover good news or update regarding something by book. Amount types of books that can you choose to use be your object. One of them are these claims Social Media
