The Ebony Letter is a tale of two couples who will never meet face to face nor exchange emails or connect on FaceBook. The story is presented from the perspective of each of the husbands. One man, The Reader, will discover the world that The Writer has lived in for many years.

The Reader is seduced by what he reads, and enters into a world of fantasy and envy. He is both repulsed and attracted by what The Writer has recorded within a journal. A journal once lost and now found.

This is the story of how The Reader is trapped by his own fantasies. He is unaware of how he is being changed and is slowly led towards an ultimate climax that he never expected nor thought he truly wanted.

If you ever wondered how a man might become an Interracial Cuckold, this is the story of one man's journey.
