The Satanic Bible Rev. Caesar 999

This is Rev. Caesar 999's latest version of his Satanic Bible. It is the only other bible titled as The Satanic Bible not as an attempt to copy Lavey as many would like you to believe, but more of an attempt to compete directly with the sales of Lavey's satanic bible. The original spiritual title of Satan's Divine Vampir Bible was being buried in search engines by the many web sites created to promote Laveyan Satanism and monopolize the Satanic Market along with Satanism in general. Caesarean Satanism or Vampir Satanism 999 and its parallel system of Tantric Hinduism are the direct antithesis of Laveyan Satanism. We have two completely opposing beliefs or philosophies and yet have a common religious adversary which is generalized within most right-wing religions such as Judeo-Christianity. This may very well be the only common ground we share and in all other areas stand firmly against each other as dueling opponents. We find a much closer bond and have absorbed far more of the teachings of Aleister Crowley than we may ever have of Lavey with his mercenary and selfish philosophy.

In 2006-7 we sold over a 100 copies of our new Satanic Bible counting the different versions of course and going by Ingram's statistics Laveyans only sold about 2,000 copies of their bible a year before. This is mainly to book stores and their own grottoes for resale. So, this can be roughly estimated to about 5% of the Satanic Market we have taken away from them. This will double in the next few years. This will be a showdown between the Spiritual Satanism of Rev. Caesar 999 and the selfish mercenary atheistic Satanism of Lavey. This is why many Laveyan's will place negative reviews and other forms of propaganda in an attempt to limit sales of what they fear as a great threat to their claim on a so-called monopoly on Satanism and of course The Satanic Market. They have long fought to attain such a monopoly, but this Satanic Bible is the monopoly buster and proof that they are not in control of anything and can not stop this force known by Rev. Caesar's first spiritual temple name, Church Of The Antichrist 999, and now with its parallel Temple of Kama.

Rev. Caesar's Satanic Bible contains a very important and much needed new system known as The Anti-Christian or Satanic Moral-Value System. This will replace the Judeo-Christian moral-value system and restore us to the former glory of ancient civilizations before the Judeo-Christians contaminated the sacredness of the ancient religions and introduced their values upon many peoples by force through the sword and cross of damnation, rather than salvation. They reinvented religion using many older beliefs and watered them down into horrid and twisted versions of the former. Many inversions were made where once things were sacred, they became blasphemous and unholy. The Holy Whore was spat upon and denigrated and we have freed her and resurrected her at last!

The Satanic Bible by Rev. Caesar 999 contains basic outlines of his beliefs and philosophies which are more deeply explored in his other works. He also has delved deep into the occult world of mysticism and magick bringing many new ideas, rituals, and theories in his many different books starting back in his younger years. He has placed a copy of his Satanic Sorcery Volume I in this new bible version. It contains some basics for beginners and some interesting philosophies. Let it be known that one book alone will never give you a complete understanding of the inner workings of Caesar's religious, philosophical, and magickal system. He is a very spiritual person and views himself as a deep mystic bringing forth hidden spiritual knowledge for his disciples and supporters.
