**Hope alone can not win the war.**

Caroline Mathers, Forward Scout of the People's Republic of Virginia, leads her people to safety after a harrowing escape through the Appalachian Mountains. But, the security of their capitol city won't last for long...maybe even less than a night. Old friends are left behind, while inside the walls, new alliances are formed and trust betrayed.

Empowered by the strength of a massive army, their northern enemies suffocate the city outside the walls, preparing to take control of what they believe is rightfully theirs: citizen slaves.

With the help of her fellow Kinder, Finn, and an ill-equipped group of volunteer soldiers, Caroline must defend her city to the last breath or watch her people marched away in chains.
