This beautifully produced photographic theme journal offers instant inspiration and ends fear of the blank page. With clever use of images and fragmented motivational text, Wishful Thinking will motivate you to express yourself. Unique and elegantly designed, this is a perfect gift for yourself - or anyone - to chronicle daydreams and innermost desires. Personal growth and honesty are the focus of the companion journal, Self Help. Pages of both books are lined, the trim size makes each easy to carry, and when it's time to write, the book lays perfectly flat.
