## Bentham's Political Thought (Routledge Library Editions: Social and Political Thought in the Nineteenth Century)

In this book, first published in 1973, the editor has drawn heavily on Bentham's manuscripts and has tried to provide a coherent statement of Bentham's legal and political thought. Unlike Plato, Aristotle, Hobbes or Mill, Bentham did not write one single work containing the basic principles of his legal and political philosophy. This title presents Bentham's work in a systematic manner, and will be of interest to students of philosophy, politics and history.
