Why should your school have a **Family Math Night**?

- Help students learn essential math concepts
- Give parents a chance to serve as models of motivation, persistence and competence
- Promote math success in a supportive setting

With its step-by-step directions and suggestions for both teachers and parents, this book takes the worry out of planning and conducting a **Family Math Night** at your school.

How does **Family Math Night** work?

- Invite parents to accompany their children to school for an evening event.
- Arrange a series of tables ("stations") in a large room or in several classrooms.
- As shown in this book, prepare materials -- easy-to-find and inexpensive -- and set up an activity at each station.
- Parents and students visit some or all stations and engage in the activities together.
- Teachers encourage participation, offer assistance, and promote "math talk."

This book contains 40 engaging and inspiring activities, organized by grade level, along with:

### **For the teacher**

- list of materials
- helpful hints
- connections to math standards

### **- For the parent and student**

- description of activity and directions
- questions parents can ask
- challenges

The activities in this book align with the NCTM content and process standards for pre-kindergarten through grade 5.
