In Genesis the Hebrew word for seasons is translated in Leviticus as feasts. A better translation is divine appointments. God tells us that the sun and the moon are to be used to determine when the divine appointments occur, which is critical to understanding when God will intersect human history. In God's Day Timer, Pastor Biltz breaks down the divine appointments, or seven feasts of the Lord, to make it easy to understand for beginners and explains how to keep the Sabbath and get on God's schedule to better understand His timing and the signs of the coming events. Discover the importance of keeping the Passover and Yom Kippur among the other feasts. Learn how to perform a weekly Shabbat. Find out the various steps of administering a Seder dinner. Realize why it is vital for Christian believers to be on the biblical calendar.

God's Day Timer takes you on a journey that will unlock treasure chests full of golden insights. Sit back, put on your 3-D Bible glasses and come on an adventure that will radically change your life."
