Can I Get There From Here? Rusty Williams

How many times have you looked up in anger, frustration, disappointment, or even rage and asked, 'Why?!" Maybe you didn't look up at the sky; perhaps you had your eyes closed in solitude and whispered, 'Why God, why?' Former paramedic and 22 year police veteran Rusty Williams found himself in the same place, asking the same question. A self-described juvenile delinquent (although never 'convicted'), his antics as a youngster will leave you shaking your head, while at the same time laughing in disbelief at the trouble he found himself in. Williams' younger years set the foundation for a journey that took him to faith, only to lose it through personal and professional tragedies. Can I Get There From Here asks questions that all of us had at one time or another. Answering these questions in a light-hearted and humorous manner allows the reader to understand God's message and plan for each of us.
