A follow-up to Haynes' hugely successful "U.S.S. Enterprise Manual", this book reveals the secrets of the Klingon Empire's formidable Bird of Prey starship. Taking the light B'rel-class scout as its main subject, this "Haynes Manual" contains brand new full-colour artwork, line art and photographs along with a comprehensive technical description and historic notes. Covering key technologies such as propulsion, weapons and the all-important cloaking device, this is the essential reference for all Klingon commanders, and their enemies.
