Prepare to look into the faces of Love The word “love” has boggled the human mind & emotions for centuries. Just when we think we have it defined, love changes itself into a different meaning. Like a chameleon, it can change its color & shape to fit any of life’s situations. Love can make us feel like we can touch the top of Heaven or like we’re lying in the pit of Hell. LOVE: Letting One View Everything displays poems that allow the reader to look into the many faces of love. From friendship to everlasting love, this book explores the topics that we talk about and experience each day. Poems such as “Love Inspired It All”, “The Wedding Speech”, and “Do I Answer Aphrodite’s Call” show different sides of the world’s oldest emotion. So be bold and stare deeply in the face of love. You might see something that you’ve never seen before.
