Night Came to the Farms of the Great Plains

Raymond D. North

Night Came to the Farms of the Great Plains Raymond D. North

This book is a preview of what is being created from almost six decades of Washington's tinkering with the foodbelt. This is the story of debt, agency mendacity and violations of the law by land banks and Farmers Home Administration so blatant they beggar the imagination. The human dramas detailed are more than an indictment, they are a crime, and a sorrow on the land. Documents with personal stories the plight of the American farmer. Everyone concerned about agriculture should read and understand the message of this book.
