Successful Nursing Assistant Care

Diana Dugan RN

Successful Nursing Assistant Care Diana Dugan RN

A student-friendly text, the second edition of *Successful Nursing Assistant Care* by Diana Dugan, RN is a comprehensive textbook to train nursing assistants that teaches all state, federal, and safety requirements. It is beautifully illustrated and clearly photographed with color tabs for easy location of material. This book emphasizes safety, privacy, and respect before and after providing care. Care guidelines are colored for easy reference, and ways to promote residents right's are emphasized. This book contains updated information on HIPAA and CDC guidelines for infection control. Organized around learning objectives, it contains creative methods to teach care and related observations, ways to promote independence, essential information on preventing abuse and neglect, and chapter-ending material which develops critical thinking, as well as tests the chapter. This textbook reflects author Diana Dugan's 15 years of experience teaching nursing assistants in community colleges, proprietary schools, and long-term care facilities.

From reader reviews:

Robert Densmore:

The book Successful Nursing Assistant Care make you feel enjoy for your spare time. You may use to make your capable more increase. Book can to get your best friend when you getting stress or having big problem together with your subject. If you can make reading a book Successful Nursing Assistant Care to be your habit, you can get a lot more advantages, like add your own personal capable, increase your knowledge about many or all subjects. You may know everything if you like wide open and read a publication Successful Nursing Assistant Care. Kinds of book are several. It means that, science reserve or encyclopedia or others. So , how do you think about this book?

Jack Michaud:

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is inside the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you understand it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Successful Nursing Assistant Care as the daily resource information.

Santiago Klein:

Is it an individual who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Successful Nursing Assistant Care can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Danilo Ernest:

A lot of people said that they feel bored when they reading a reserve. They are directly felt this when they get a half parts of the book. You can choose often the book Successful Nursing Assistant Care to make your reading is interesting. Your own personal skill of reading skill is developing when you like reading. Try to choose very simple book to make you enjoy to see it and mingle the opinion about book and examining especially. It is to be very first opinion for you to like to available a book and study it. Beside that the publication Successful Nursing Assistant Care can to be your friend when you're feel alone and confuse with the information must you're doing of the time.
